The Harvest Fields Are Ripe!

5th Anniversary Edition

This 5th Anniversary Edition is in honor of you, your partnership has made a great difference in my life and in the lives of many. As the title above indicates, we are in a great time of spiritual harvest world wide. I want you to enjoy this great harvest with me so I am devoting a large section of this newsletter to photos, impressions, and peoples faces. Hopefully, you will help you to capture in your heart the countless lives that have been touched by your giving and prayers. Without your I am crippled in what I do. Your partnership is that important, hence the new title "**Partners in Ministry**".

Although my primary focus of

ministry is in the United States, over the last year I've had the opportunity to get involved in campaigns overseas. Last fall I had the privilege of ministering in Guntur, India and this spring in Fortaleza, Brazil. What an exciting opportunity to see hundreds of thousands hear the Gospel. As much as I loved my recent overseas ministry trips, I have felt my calling to America renewed. The last year of ministry has been crazy (though God led) for me, moving to Hawaii and now to Kansas City, right in the heart of America. Being here I realize that Kansas City provides me a strategic launching point to be a missionary to America.

45,000 gather to hear the Gospel in Gunter, India
