

Dear Keith & Susan

Greetings dear friends. Thought I would include a more personal note with this newsletter. I hope this finds you well in Jesus!

I have been thinking and praying for you both. I hope your doing well. I need to call you sometime soon and talk with you. It has been to long huh. How is the church doing these days? Seems like forever since I was there with you, but I remember it so well. It was such a special time for me staying with you all during the Impact World Tour.

I just wanted to take this chance to thank you for all your prayers and love. Even as we're asking for extra prayer I wanted to let you know that we so appreciate all you have done.. I just don't know how we could do what we are without you! The Lord has blessed us.

Lately, we have seen drop in our support recently (our home church is scaling back it's support, others have retired, and a few cannot keep supporting us), PLUS all of these special needs we mentioned in the newsletter. It is a little overwhelming, but our God is good and big enough. We would love to have your prayers over these big financial needs we face. Please let us know how we can keep praying for you both too. It's important to us that we have a 'two way street' of prayer. Thanks for taking the time to pray for us. Love you both!

Dear Jim & Vicki & Josh

Greeting my dear friends!. Thought I would include a more personal note with this newsletter. I hope this finds you both well, and hopefully enjoying some sunshine like we are here in KC. We don't have any definite plans yet, but do want to come and visit you and others in Columbia this Spring/early summer. Seems like a ling time since we have seen you all, and would love to catch up if your around. I will let you know as time gets near if that would work for you..

Well Lisa has me busy with doing lots of projects to get the house fixed up and ready. Lots of painting, and some remodeling. Nice to have the time to do them. Never got time since we moved in last summer.
