Our Invitation

We humbly request your participation in what God is calling us to do. Many of you have been called by the Lord to work in the marketplace or in your own home and we would like to partner with you in praying for your calling. God's desire is that we rally around each other and together fulfill the Great Commission. No matter what part we each play, together we can cause a greater impact in the nations. We believe so strongly in the power of prayer that we are eager to invest our lives in it. However, we need your involvement to make that happen. We invite you to pray and ask the Father if joining us in this work of intercessory missions is something He is calling you to do.

Our Calling: Intercessory Missionaries

WHAT IS AN INTERCESSORY MISSIONARY?

An Intercessory Missionary is one who is dedicated to causing change in the lives of people in all nations through prayer, worship, fasting, and outreach. One Biblical example of this is Anna found in Luke 2:36-38.

"Then He said to His disciples, 'The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest.'"

- Matthew 9:37, 38

Our Destination

International House of Prayer Missions Base in Kansas City (IHOP-KC). IHOP-KC is a non-profit organization that has sustained a 24-hour, citywide, interdenominational prayer ministry since 1999. The House of Prayer is structured into 84, 2-hour

prayer meetings a week, each staffed with musicians, singers, and intercessors. It is committed to Prayer (intercession, worship, healing, prophesying, etc), Fasting (covering 365 days a year), the Great Commission (proclaiming Jesus to all nations), and the Forerunner Ministry (preparing the Church for the End-times). They are also committed to equipping and sending missionaries as dedicated intercessors and evangelists working to see revival in the Church and a Great Harvest among the lost.

Biblical Example: The Tabernacle of David - King David financially released 4,000 musicians and 288 singers to minister to God.

Our Story

Those of you who have known us for years know we have both felt called to full time ministry. As we look back, we can see that God has been preparing us for this step. We've served in or led several different types of ministries: children, youth, twenty-somethings, women, married couples, and short-term foreign missions.

Brilliantly, God has always led us back to the importance of prayer and worship. He has shown us that prayer and worship is an invitation for God appointed things to occur.

The year 2004 brought with it a great sense of mobilization. We both sensed the Lord was leading us to sell belongings and to become debt free. In April of that same year, we became aware of an internship with IHOP-KC. After looking into it, we realized it was exactly the step we needed to take. So in February of 2005, we headed to Kansas City and found that being part of a House of Prayer not only lined up with our gift mix, it confirmed in us that we were created by God for this purpose. We don't know the whole plan for our lives, but we are confident that being part of a House of Prayer is where we are to direct our efforts. We anticipate that our time in Kansas City will be just long enough to have maximum exposure to its workings so that in coming years we can be part of teams going out and planting Houses of Prayer around the world.
